## Regional invitational

Back in January MJCS hosted over 200 skaters from across the province for 3 days of competing at MJEC. It was a huge success thanks to the 100s of hours put in by the regional committee, volunteers, coaches and officials.

MJSC would also like to thank the numerous venders who came out to support the event. Allowing us to put on a successful penny parade! As well the many sponsors for their support.

A big congratulations goes out to all our MJSC competitors, everyone worked so hard and all had personal best skates.
