This year we were all very excited to be able to offer summer ice here in town, as a bonus we got to skate at Moose Jaw Event Center formally Mosaic Place.

We offered a variety of new team training sessions, such as Edge Class, Dance Class, Jump and Spin Class.

The skaters all got to participate in 2 weekly Ballet sessions instructed by Miss. Alana from Passion for Dance (in Moose Jaw) 2 Off ice classes instructed by Coach Bree and 1 Planned Program session/competition warm up.

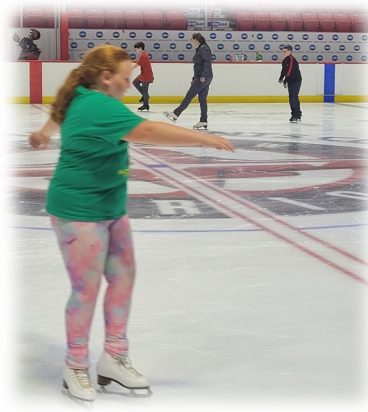

On ice in the second week, we welcomed Garrett Gosselin from Skate Reina who shared his choreography and edge skills with the skaters. As well Bobbi Magee from The Calgary Winter Club joined up all of week 2 to teach dance, skills, edges and turns. We are so thankful for both Garrett and Bobbi for coming!

Along with a successful STARskate summer program we offered CanSkate and rolled out CanPower Skating. Both were well received. It was so nice to see all those little guys back on the ice.
